MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Army in Korea LandWarNet (Unclass) Acceptable Use Policy (AUP)

1. AR 25-2, Information Assurance, 24 OCT 07, Paragraph 4-5, minimum information assurance requirements, directs commanders to develop and publish an AUP for all user accesses under their control.
2. All users will be required to read and sign this AUP prior to accessing Network Resources on the LandWarNet (Unclass). This AUP coupled with DoD IA awareness training will improve user security awareness across the peninsula and reduce the insider threat to Army in Korea LandWarNet (Unclass) systems.
3. This Acceptable Use Policy is effective immediately.
4. POC for this action is GS13 Kyu D. Han, DSN 723-2374, kyu.han@us.army.mil.
